

Guidelines for Authors

VDA *Journal*

Introduction

The *Virginia Dental Journal* is published quarterly by the Virginia Dental Association. Over 4,300 copies are distributed to members and other subscribers. In addition, the *Journal* is available to members online at www.vadental.org. Contents include scientific articles, abstracts, news, proceedings of boards and committees, and editorials.

Editor's Policy

Previously published manuscripts and manuscripts under consideration at other journals will not be accepted, except at the discretion of the editor. Opinions and statements of fact are the sole responsibility of the author, and not the editor or staff of the *Journal*. Manuscripts may be submitted to one or more editorial reviewers prior to publication. The identity of authors will be disclosed to reviewers when manuscripts are considered for publication. Reviewers will remain anonymous to authors, except upon written request of the reviewer.

Manuscript Submission

Original manuscripts of 1000 to 2500 words, or no more than five pages, will be considered for publication. This does not include space required for abstracts, illustrations, and references. An abstract of 75-100 words must be included. Text is subject to editing for grammar, spelling, style, and space limitations. The author's name, title, degrees awarded, address, phone number, and e-mail address must be included. Authors are encouraged to consult references such as the fifteenth edition of *The Chicago Manual of Style* (Chicago, University of Chicago Press, 2003) to assist in preparation of text and references. All manuscripts must be in Microsoft Word format, and be submitted by e-mail to jacobs@vadental.org. Authors are strongly encouraged to include only illustrations in digital format, such as JPEGs/PDF. Prints and slides will be considered, but conversion to another format may preclude their use. The top of all illustrations must be clearly indicated, and each should be numbered and referenced in the text.

References

All references must be numbered and keyed to the text. Authors must supply the following: name of author(s), title, name of periodical, volume, number, page numbers, and date. More than three authors should be followed by *et al*. Books referenced should include author, title, name of publisher and location. Personal communications are acceptable only if a signed and dated copy is made available to the *Journal*.

Copyrights and Disclosures

The Virginia Dental Association will retain copyright ownership for all manuscripts accepted for publication. The author(s) agree to forgo copyrights and ownership of such manuscripts. The *Journal* reserves the right to edit both the title and the text of manuscripts accepted. Authors must disclose any financial considerations, professional interests, or organizational affiliations that may influence content of the manuscript or the opinion of the author. Every attempt will be made to notify authors of manuscript acceptance prior to publication. Illustrations and other documents submitted for consideration cannot be returned; it is the responsibility of the author to retain copies prior to submission. Please allow up to twelve months after receipt for editorial review.
